Part 1: Reading aloud

When we closed school, my uncle took us to Nairobi national park where we took a walk to see different wild animals. We were so happy as we saw many animals and flowers. I saw a lion under a tree and beside it there was a cheetah. When my sister saw this, she screamed since she thought that they will bite her. Later we crossed a river and saw some hippos and fish in the water. When I saw a snake lying on a stone, I run back to our car crying. I fear snakes.
