

NAME : _____ DATE: _____

1. Sort And Count Fruits

All the fruits are mixed up. Sort them out by coloring the same fruit in a single color. Then count each type of fruit to find out how many there are, and write the number on the tag. **Teachers' tip:** Ask your pupil to cross out each fruit as they count.

Activity area containing 15 apples, 10 pineapples, and 10 bananas. Some fruits are boxed. Below are three tags for counting: an apple tag, a pineapple tag, and a banana tag.

2. Color all the circles red, all the triangles blue, and all the squares green.

Activity area containing 5 circles, 5 triangles, and 6 squares for coloring.

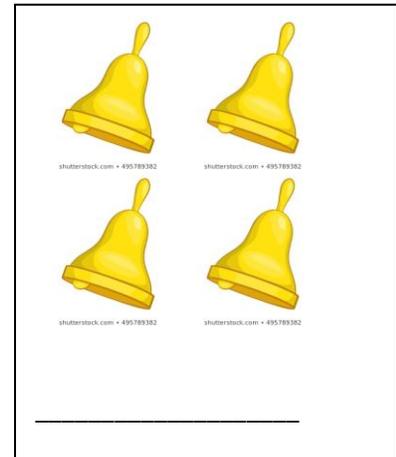

a. How many circles did you color? _____

b. How many triangles did you color? _____

c. How many squares did you color? _____

3. Write down numbers 1-100

How many are they?

Level of the learner: _____
