opportunities for family time. This week we kicked off with Earth day activities, a student led initiative to celebrate Earth Day and educate students about sustainability, our world **and** the impact humans have. I would like to thank Jade and the D1 students who led and delivered this initiative.

I would like to alert you to a PTA initiative to host a free E-safety workshop called "ONline and ME" for students and parents. The

workshop will be led by presenters from the Parent Zone, a UK company dedicated to family internet safety; for more details, please click this link <https://parentzone.org.uk/home> . The parent event will take place on Monday 19<sup>th</sup> October at 4.30pm and last approximately 1 hour; it is open to all parents. The student experiences will take place on Tuesday 20<sup>th</sup> October during the school day.

Finally I would like to remind you that October 20<sup>th</sup> is a National Holiday and therefore the school will be shut. I wish you a wonderful weekend.

Best wishes
