**ENGLISH I
PAPER 1
MARKING SCHEME**

- ◆ General aspects to look for:
- ◆ This paper tests linguistic ability
- ◆ Note the following when marking:
 - Relevance in one's content
 - Sentence connections i.e. ideas must flow smoothly from one sentence to another
 - Word connections within a given sentence
 - Correct paragraphing: Paragraphs should not be too long or too short (i.e. one line paragraph unless the situation is the requirement)
 - Change of tenses anyhow. The tenses should be in line with the time one is talking about.
 - The use of compound words - some are written as one word and others separated (some students do confuse them)
 - Check on spelling mistakes
 - Credit proper use of idioms - but a student should not over use them.

Question 1

Giving directions:

- Should be clear and vivid
- Saying that he walked / or just move on and on) is quite vague. One can use place names e.g. after reaching Eldoret etc. or can use compass directions to direct.
- When its in a letter form, only pay attention to how she / he gives directions.
- Directions must be from where the parents stay to school and not vice versa
- Must include in the directions the purpose of writing i.e. parents day.

Question 2

- The situation being described must have something amusing i.e. social / relationship etc.
- Start from normal situation and turn slowly into a funny one
- Students should not talk about storage situations e.g. one swallowing spoons etc.
- Exaggerations are allowed but should not be overdone.
