is a occasion the who had even to the entered you
beginning. which one is a expected to the could
Some noises different is a had to the before is a
to the following is a what from very to the
was noises different from what we had expected you
the noises by is a the which one of the following
is a very occasion the we even entered.
like to the had we to the is a
noises what was before to room. could some th
by the different what the be bad and the to th
is a different before. which is a the to expected
the occasion very different from had to the could ha
the very noises following one of the is a to by. th
occasion very different to the which by the to by
is a very noises one of the following is a entered
the was some occasion who by and from to the
to different from what but the is a to one of
the following is a occasion. very is a to and the
He is a very noises following to
different noises was noises which from entered you
noises to the it. one of the following is so the
to very was some different. occasion and
entered and noises different the from entered the to
occasion different. the which and the from entered
the to noises he very the following from by the and
noises very noises from which to the is a the
to room could the one of the following
is could the following room expectep to the
before entered could. room the to by the and
the could be the very the by to one is a to
some room to the following room expectep.
The is a to very room following and
the room is a some the for the expectep

to is could room following the very one is
 a room the by some the one of the following
 room some to the room expected to the
 very is a some entered room, one of the
 following is a and very by the expected to the is
 is could very some and could and entered to
 the which one the of is a to very the following.
 Some the room expected the is a
 to the by entered one is a the expected to the
 and some very which could room very to the
 is a very could the following is very entered to
 the is a could, entered room entered very
 to the some is a to the following the entered to
 the one room some the very is a to entered
 the could very, different to the entered the
 some could which one the following is a
 to some. entered room the expected to the is
 a some to could which one is a to the
 is some very could room very entered to the
 is some is could entered is a expected some.

The candidate simply copies out the opening sentence, albeit incorrectly, and intersperses English words. The candidate spells correctly most of the words, and has some concept of the sentence and paragraph. Punctuation is a problem.
